DEDICATION

It is a privilege to be taught mathematics by Miss Rosa Kingsbury.

Few teachers are more purposeful in the preparation of boys and girls for the future. In algebra, geometry and trigonometry, Miss Kingsbury's students receive a thorough training. And what is of even greater significance, through mathematics Miss Kingsbury uses the disciplines of constant application, honesty, and clear thinking to inculcate industry, integrity, and intelligence—characteristics indispensable to a successful future.

HISTORY OF THE JANUARY CLASS OF 1952

So begins the history of the January Class of 1952--

January of 1948 we, the graduated class of Roosevelt, Fisher, and Volney Smith School, combined to make up one of the noisest freshman classes ever to hit R. U. At our first class meeting we discovered our sponsor to be Mr. Marshall Everett. Mr. Everett always began our meetings with a quiet, dignified "shut up" to which we hardly ever responded. Poor Mr. Everett finally relinquished his well-worn duty to Mr. Robert Juhnke who began a quiet determined reformation for us.

Managing to fly right into our sophomore year, we started out with a bang! A hayride! Everyone seemed to have a good time with very few casualties. All during this year we tried desperately to think of ways to enrich our treasury, but found that the only sure way was to collect the dues (when we could).

When we sprouted up to the junior stage, we gave the last January prom ever to be heard of in R. U. Our "Rhapsody in Snow" was given in Ypsi. After this, we began to feel the weighty responsibilities that would be thrown upon when we assumed our positions as "wheels of the school".

Ah! Now we were seniors! Our first project was the annual Christmas Tea. All the girls worked so hard getting the punch and cookies read and then--(of all days!)--school was called off! Reason--blizzard---snow---piles and piles of it!

We elected Paul Niestroy as president of our class so he could bear the burden of getting us through to graduation. Frankie Patton was elected Vice President; Joan Lambert as secretary; and Jerol Lee Carter as treasurer. What a time we had! We planned class day as best we could (You never can tell what will happen). Wills, the prophecy, and the giftatory were tossed together.

On that fateful day in January 1952, we, the graduating class, left R. U. with memories cherished, and not so cherished.

And--so ends the history of the January Class of 1952.

HISTORY OF THE JUNE CLASS OF 1952

As we, the June Class of '52, look back over our four years here at Redford Union, we find that we have a record to be proud of and lots to laugh at too.

In September, 1948, we were a group of terrified and mystified freshmen, suffering the abuses of the higher classmen (but that didn't last long). After all this was over we settled down to being one of the most unusual freshman classes in history. We went around picking on the upperclassmen, instead of the former vice-versa condition. On top of that, we were the first class to have freshman cheerleaders, and our girls were the only ones ever invited to the Christmas tea.

By the next fall we had assumed our places as upper-classmen (the freshmen picked on us). This year Mr. Burton's "Board of Education" was introduced into the boys' class meetings. Ralph Carlton will testify that even though the board worked overtime to maintain order, it fell arrears in its business. Our big dance that year was the Kickoff Dance which netted us \$60.

When we became Juniors we tried a repeat performance on the Kickoff Dance deal. The result was a net profit of \$.26, as some blithering idiot melted \$10 worth of ice cream in the Home Economics Room oven!!!!

CONTINUATION OF THE CLASS HISTORY

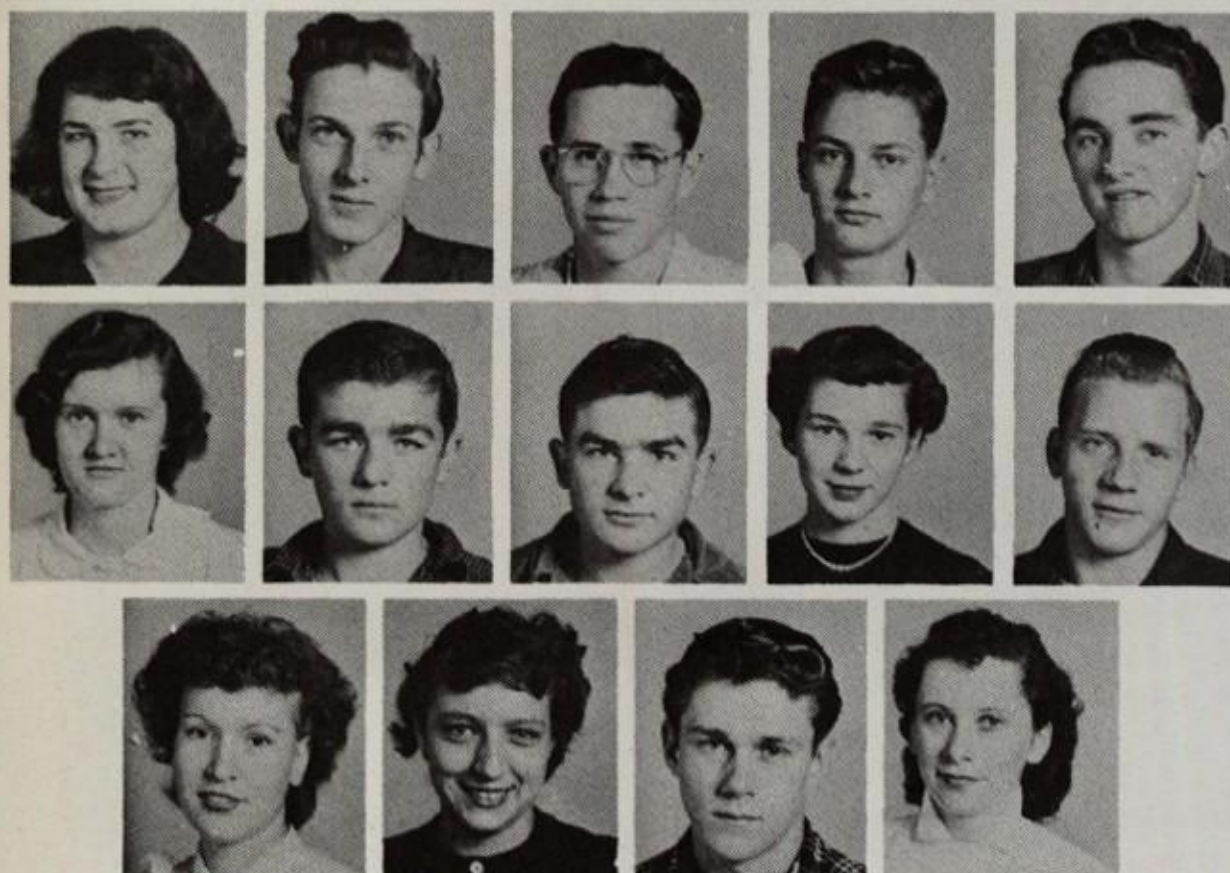

This year we were vitally interested in the Student Council elections as two of our more illustrious classmates, Sally Wangbichler and Bill Doty, were the candidates. It was a hot tamale of an election and Sally finally emerged as the first girl Student Council President in Redford Union history.

Of course, being Juniors, it was our duty to put on the June Prom. We were ready and willing, but completely devoid of funds. We still can't remember how in the world we ever raised the cash, but we gave one of the nicest proms in a long time. Leonard Stanley, of television fame, provided the music, and we must say Mr. Stanley did a wonderful job-----signing autographs.

Now we are Seniors----stuck-up, important, regular intelligensia. We elected Sally Wangbichler as our class president and Bill Doty as our Vice President. Our main concerns this year were our class trip, and our "revolutionary" changes in the class day ritual. We decided to take a three day cruise to Mackinac Island for our class trip and about ninety of us went off on the joy-ride.

Now our high school careers are over. With a sigh of relief, a tearful eye, and a sense of gratitude to our teachers, we close the last page in the history of the June Class of 1952.

A CHAMPIONSHIP TEAM

FOOTBALL CHAMPIONSHIP - 1951

In August of 1951 the Redford Union championship football team began practicing for their 8-game schedule, which started with R. U. losing to Walled Lake, 7-6, in a non-league game. After this defeat, we bounded back and won all five league games. We held every team scoreless, except Belleville, who came within one point of tying the game 13-12.

With every game we won, the tension grew. Each one putting us closer to the championship.

Redford Union's triumph over Plymouth in the last league game 20-0 completely fulfilled the hopes of the fans, the students, and the players, for this was the first football championship won by Redford Union since 1942.

We ended our schedule with defeats by Van Dyke and Inkster in non-league games.

All in all, this was one of the most successful seasons in our history.

Come Spring, the smack of ball on glove, the crack of a bat, an umpire's defiant, "Strike One!" are familiar sounds.

But before the snow has melted, the boys are in the gym, pitching, catching, running.

On the first fair day the bases are put out, the diamond is readied. The players are bunting, batting, base-running.

Suddenly, the schedule is up, the line-up is posted, and a familiar cry is heard, "BATTER-UP!"

VOCAL MUSIC

During the past six years, Mrs. Franceil Fenstermacher has inspired her music students and the entire student body with a very real enthusiasm for good music. She has not only won the admiration of her students, the student body, and the faculty, but the very deepest gratitude of the Graduating Class of June 1952.
